David Wells, Board member and Past President of Georgia’s Old Capital Heritage Center at The Depot, Inc., wants to provide visitors a safe way to tour the former Central State Hospital campus. On September 8th, 2:00 PM, David will “Roll Out” the new CSH Driving Tour. Join us at the former CSH train depot to see the route of the tour through the campus and learn about the buildings and history of what was once the World’s Largest Mental Institution. Complimentary CSH Driving Tour brochures with QR codes will be available on Monday, September 9th from the “Just Imagine Cottage” on the CSH campus and downtown at the Convention & Visitors Bureau. This project is generously supported by a grant from the Georgia Humanities and Georgia’s Old Capital Heritage Center at The Depot, Inc.

Where in Milledgeville is Milly?
Sponsored by the Milledgeville-Baldwin County Chamber of Commerce and Georgia’s Old Capital Heritage Center at The Depot, Inc.

On June 25th, students enrolled in the Baldwin County Schools’ Summer Adventures Program and “Milly”, the owl, visited Georgia’s Old Capital Heritage Center at The Depot. They examined plans for the new heritage center in the 1891 train depot and then visited the depot to see how it will be preserved and repurposed to provide a theater and community venue space, café, bookstore and gift shop and exhibits about the history of this area. Each student received a Junior Preservationist Workbook with projects to create a Family Tree, preserve family heirlooms, map their neighborhoods, measure historic buildings, and earn a Preservation Patch.

During June, students and Milly visited the GC Museum of Natural History, Allied Arts, the Greenway and the Old Governor’s Mansion, Lockerly, the Baldwin Co. Sheriff’s Department, the Library, as well as the CSH depot.

SIX PRECIOUS RESCUE PUPS NEED HOMES...

Scaredy  Puck  Honey Bear  Livingston  Blitz  Sasha

These 6 puppies did not actually come to us. We went to them. They came biting and scratching as we struggled to rescue them from an unsafe environment on the former Central State Hospital campus of which the Heritage Center is a part. Will you help give the remaining six pups a future? Make it happen by adding one to your household, posting on Facebook, and sharing their story. Want to know more about each pup? Like us on Facebook @OldCapitalMuseum, and read their individual profiles.
